PARTNER PROGRAM

ZEAMSTER BENEFITS

Virtual Terminal

Swipe a card from any location or run transactions for multiple accounts with one login. Set privileges for each user, issue refunds and more.

Reporting

Quickly run detailed reports at any time or have them emailed to you every night. Filter by user or location. Get instant alerts for every transaction.

Z Vault

Store and protect customer credit card/bank information in our PCI-compliant vault. Manage, automate, and search customer payments with ease.

ACH/EFT

Customer bank transfers are the fastest and most successful way to collect. With Zeamster, you pay lower fees than credit card transactions.

Recurring Payments

Set up recurring and future payments daily, weekly, or monthly. Shift one payment without affecting others. View or print payment schedule.

CRM

Manage customer relationships on-the-fly by uploading files, adding notes, or setting visibility access on user profiles.

INDUSTRIES OF BENEFIT

Retail Stores

It's in the bag: in person, online, or over the phone, we'll let you process transactions securely and smoothly.

Restaurants

From fast food to slow food, we can help all types of eating establishments collect the check.

Hotels

We'll make check-ins and check-outs easier and safer for your customers and staff.

Medical Offices

Any type of healthcare-related service from chiropractic to x-ray can benefit from our payment processing solutions.

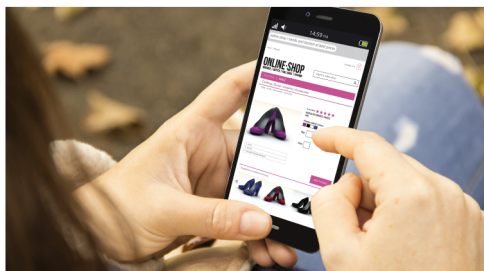

Salons & Spas

Relax! We take the stress out of credit card payments and will prevent fraud at your location.

E-Commerce Websites

We put the "s" in https: reliable and secure services will make your web store run automatically.

Card Not Present (MOTO) Transactions

This can be the most vulnerable area for any business but we've got you covered.

And More...

No matter what your business, you need a Payment Gateway that's got your back.
